4 Student Art Showcase

By:

Eight Student Artists

The National Cherry Blossom Festival, with support from DC Collaborative, invited DC students in grades K-12 to participate in the National Cherry Blossom Festival Student Art Showcase by submitting artwork that depicts the theme, "Home is Where the Blossoms Are," with a special focus on friendship. This special display in Steadfast Supply's windowfront is a selection of eight pieces from over 220 submissions. Visit all of the student artwork at nationalcherryblossomfestival.org/student-art-showcase, and vote on your favorite pieces through April 15.
