

SCORES at-home

SOCCER ACTIVITY:

Make your own SOCKer Ball!

Ready to play but don't have a soccer ball at home? Make your own ball just like Messi and Ronaldo grew up playing with. To watch a video of these instructions go to soccerforgood.org/ball.

STEP 1:

Grab at least 5 socks. They can be any size.

STEP 3:

Put the rolled-up socks into another sock, near the middle.

STEP 5:

Repeat steps 3 and 4 until you are happy with the size of your ball. Finish the ball by wrapping the inside of the sock around the entire sock ball.

STEP 2:

Roll up one pair of socks into a ball shape.

STEP 4:

Now, fold both ends of the sock inward, creating a ball.

STEP 6:

Shape into a ball then go play!
